

10 Signs You're Living in Luscious, Prosperous & Aligned SOUL Flow

1. You wake up excited.

You have a general feeling of excitement in your life as you are tuned into your passions and doing what you LOVE.

2. Inspiration is overflowing!

You are in *SPIRIT* - aka highly tapped into your inspiration. You have a constant stream of fun and creative ideas coming to you that make you feel highly inspired, enthusiastic and supercharged.

3. You are creative beyond imagination.

Creative juices are flowing through your veins. You are able to imagine, visualize and come up with ideas you feel extremely excited about pursuing. Whether it be to take up a hobby, express yourself through art or ambitiously catalyze forward with meaningful project.

4. You are in your FLOW.

When you are aligned with your SOUL you are in complete FLOW. Time stops and you just do your thing! Hours may pass by in a blink and all of the sudden you see how much you have created in what felt like an incredibly short amount of time. You usually even 'wow' yourself!

5. Everything you do feels completely natural, aligned and effortless.

When you are in the genius zone of your soul everything feels natural, aligned and effortless. What you do sort of feel like it just unfold... Almost like something or someone was working THROUGH you.

6. What you are pursuing FUELS you!

Whether it's a hobby, an inspired project or your actual work - it FUELS you! You get charged by doing it and in fact have MORE energy both during and after you are immersing yourself in this activity. You feel tapped into a source beyond yourself that is supercharging your whole being.

7. You have a general feeling of optimism.

You have a general feeling of optimism in your life. You feel genuinely happy at your core, a space where no one or nothing can touch you. You feel a deep sense of inner peace no matter what challenges may arise in the external.

8. You attract the right people, events and circumstances into you life.

The external reality is responding to your inner reality and somehow magically you are being sent the right people, events and circumstances into your life without having to lift a finger. Magic and miracles become the new normal <3

9. You are GLOWING.

Whenever you are in 'your zone of genius' aka your 'soul flow', you light up like a christmas tree. Your natural alignment and childlike glow is magnetizing people towards you as they can feel the high vibrations and positive energy you are emitting by simply being yourself.

10. You feel guided and supported from something beyond yourself.

Somehow deep down you know that what you are pursuing is so incredibly aligned with your whole being that it is truly what you are MEANT to be doing in life. For this reason you have a deep 'innerstanding' that everything is going to work out for you & no matter what challenges you may encounter along your path you know you will handle them and that they will only make you grow into the person you are truly meant to be in this world.
